

Changing the Face of Thoracic Nursing

Focus on Pleural Disease

Friday 12th November 2010 at The Roben's Suite, Guy's Hospital, London

Guy's and St Thomas' Hospital are holding a one day conference focusing on issues related to thoracic nursing. A wide range of experienced practitioners will be presenting on examples of best practice and evidence based care.

- Diagnostic surgical techniques
- What's current in thoracic surgery
- Management of pleural effusions
- Management of chest drains
- Mesothelioma - current management
- Empyema
- Management of pneumothorax

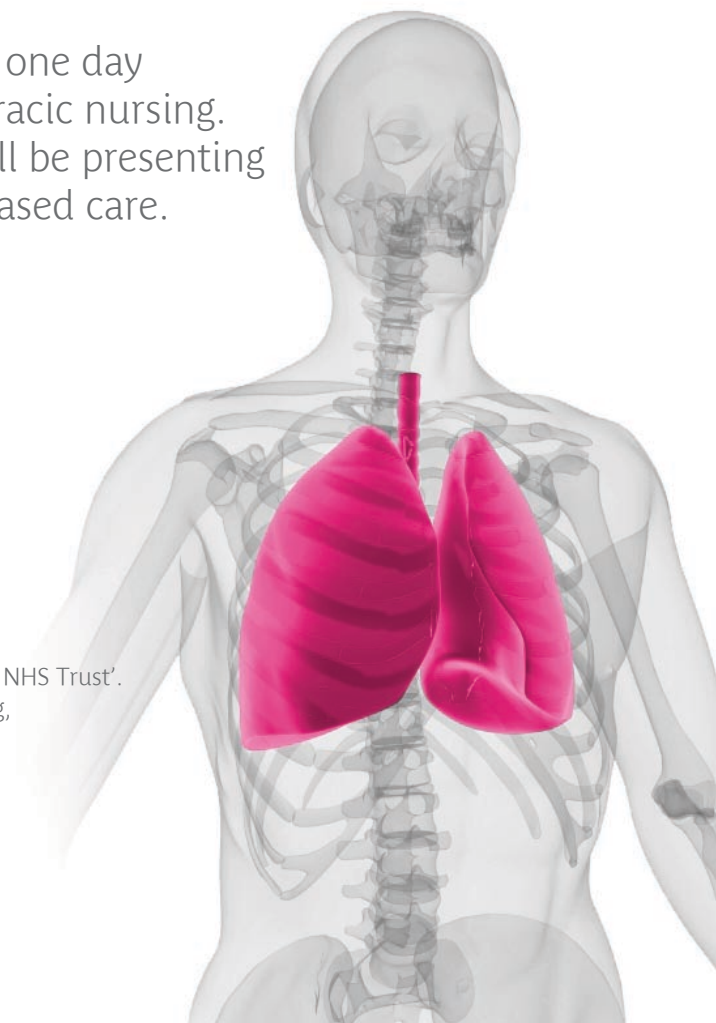

Lunch and refreshments will be provided.

Cheques for £40.00 to be made payable to 'Guy's and St Thomas' Hospital NHS Trust'.
 Cheques to be sent to: Julie Downer, Dorcas ward, 9th Floor Borough Wing,
 New Guy's House, Guy's Hospital, St Thomas' Street, London SE1 9RT.
